

THE UNIVERSE MOLWEIDE

FINE PRINT FEATURING MOLLWEIDE PROJECTION OF THE WHOLE NIGHT SKY VIEWED FROM ONE SIDE. THE ARTWORK LETS YOU DECIDE HOW TO MOUNTED IT AS IT CAN BE ORIENTED BOTH WAYS EQUALLY. NORTH OR THE SOUTH CAN POINT UP, REFLECTING YOUR GEOGRAPHICAL POSITION OR PREFERENCE.

LIGHT PROJECTION IS USED TO TRANSFER MY MAP DESIGN ONTO A PHOTSENSITIVE CHEMICAL LAYER SHIELDING A STEEL PLATE. AS A RESULT OF A PHOTOCHEMICAL REACTION THE EXPOSED AREAS BECOME RESISTANT TO ACID SOLUTION. THE UNEXPOSED AREAS ALLOW THE ACID TO WORK AND A VERY FINE LEVEL OF DETAIL IS OBTAINED IN THE RELIEF OF THE STEEL PLATE CREATING PRINTING MATRIX. BECAUSE OF IT'S HAIR-FINE DETAIL AND CHALLENGING PRINTING TECHNIQUE EACH PRINT REPRESENTS A SERIOUS CHALLENGE IN FINE ART PRINTING AND CELEBRATES BEAUTY OF PAPER A RICHNESS OF VARIATIONS RESULTING FROM THIS PURELY ANALOG PROCESS

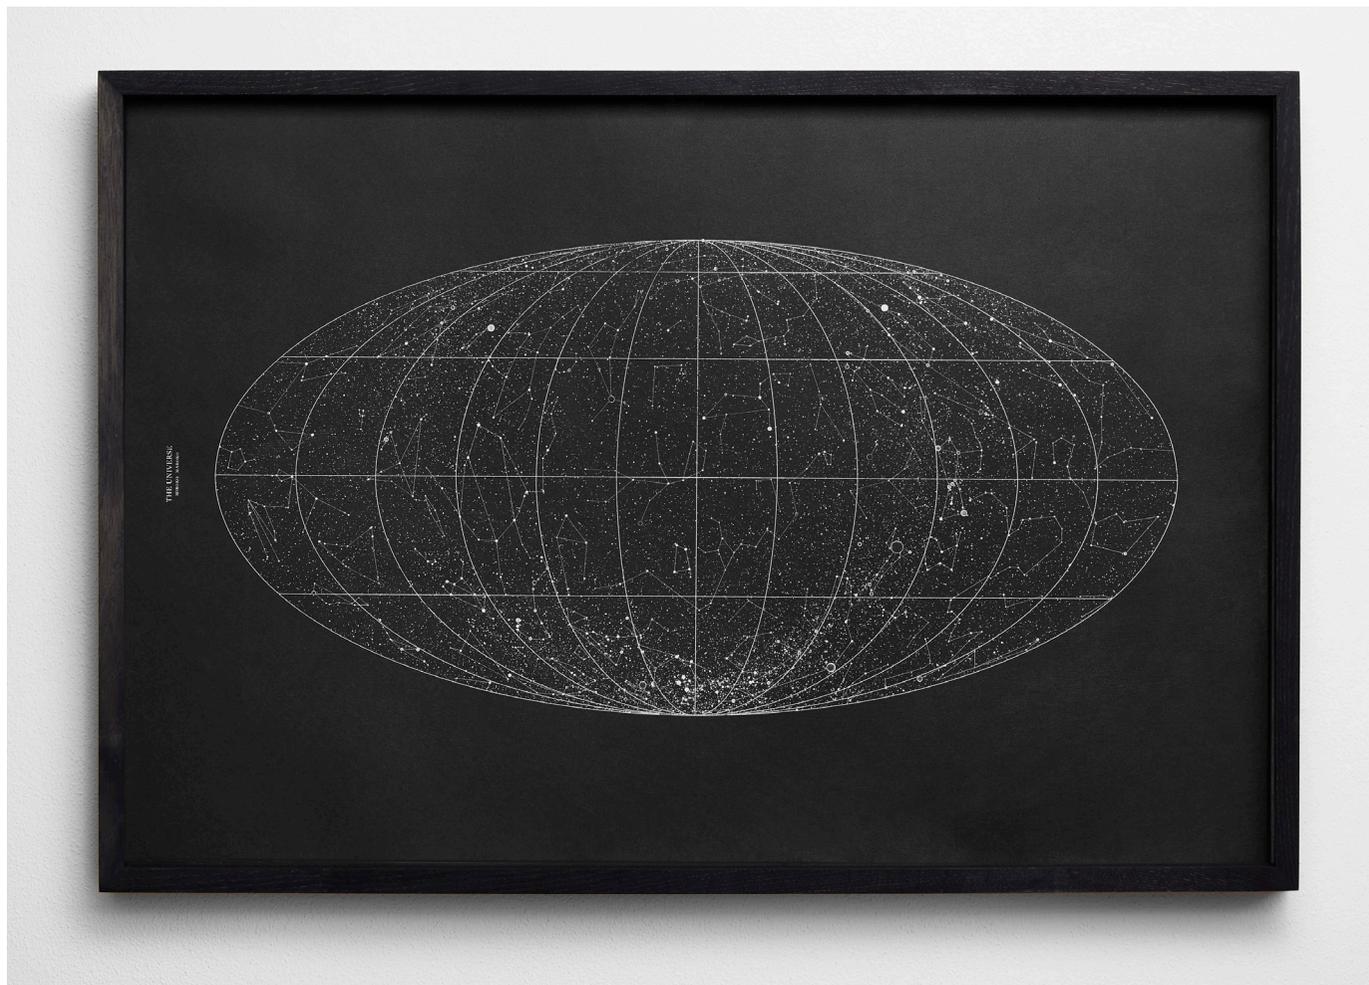

*"LIGHT IS INSTRUMENTAL IN THE MAKING
PROCESS OF MY ARTWORK AND IN TURN
THE ARTWORK IS CELEBRATING THE LIGHT
REACHING US FROM THE STARS."*
